

## DKV acquires SV Transportservice GmbH

Mobility service provider strengthens fuel, toll and refund business in the Balkans

*Ratingen, 22.07.2020.* DKV Euro Service recently acquired SV Transportservice GmbH (SVTS).

The Austrian company, based in St. Martin am Inn, is specialized in fuel cards, toll collection and VAT refunds for transport companies based primarily in the Balkans.

"SVTS was founded in 2010 by the entrepreneur Slavica Vranjković. Her passion to take care of her customers is inspiring," says Marco van Kalleveen, CEO of DKV Mobility. "We look forward to growing our business together with her, driven by innovative services and great customer care".

With this fifth acquisition in the past twelve months, DKV is consistently adhering to its growth strategy. Existing SVTS clients will benefit from an expanded portfolio of innovative and integrated services with this acquisition. Both parties have agreed not to disclose the total amount of the transaction.

## DKV Euro Service

DKV Euro Service has been one of the leading mobility service providers for the logistics and transport industry for over 85 years. From cashless route delivery at over 120,000 cross-brand acceptance points to toll collection and VAT refunds, DKV offers a comprehensive range of services for optimizing and managing vehicle fleets throughout Europe. DKV Euro Service is part of DKV MOBILITY with over 1,000 employees. In 2019, the Group achieved a transaction volume of EUR 9.9 billion and was active in 42 countries. Currently, more than 4.2 million DKV CARDS and on-board units are in use with over 230,000 contractual partners. In 2019, the DKV CARD was awarded best brand in the fuel and service card category for the 15th time in a row.
