

Drive cost-effectively through Italy! With the Consorzio DKV Euro Service.

Become a member, save right away.

Whether it is motorway or tunnel tolls – haulage and transport companies can drive economically in Italy as members of Consorzio DKV Euro Service. Profit as an individual company right from your first journey! Every kilometre driven by all Consorzio members adds to the consortium's overall total to achieve the highest possible rebate level. The higher the EURO class, the higher the toll refund.
